

# 2008 SCFM Silent Auction

SCFM will be having its annual Silent Auction at the 2008 conference. All proceeds benefit the Christopher T. Loeblein Annual Conference Scholarship Fund. Mail your donation to the address below or bring it to the conference. The auction will be held during a reception at the Beaufort Arsenal on Thursday, February 28, 2008.

The options for donations are endless...products and services make great donation items, as well as unique items from your museum gift shop and businesses from your area. Last year's competition was fierce...let's keep up the good work so more scholarships can be awarded!
